Sir,

S u b m i t t e d.

2. The credit taken under section 37 of the Act in the Revised Estimate for 1922-23 should be reduced to Rs.2648 with reference to G.O.No.1582 Law (Education) dated 19th December 1922.

3. The credit now allowed to be taken in the Budget Estimate for 1923-24 under the proviso to section 37, will be liable to subsequent adjustment with reference to the savings, if any, out of the recurring subsidies paid in 1922-23.

2

The Board's own contribution shown in the Budget Estimate for 1923-24 is much less than the Revised Estimate for 1922-23. The Board may be advised to increase it, with reference to the Revised Estimate for 1922-23.

Cannot ~~[illegible]~~ [illegible] the Last (Crop) deficit [illegible] with effect the closing balance under the general funds of the Board. The Govt General budget may be awaited. (It may be pointed out that the enhanced contribution (Rs 5042) which Last (Crop) wants the Govt to provide is less than the 'usual' contribution (Rs 7746,

T.A.

In the General budget of the Board, the Govt contribution for 1922-23 is shown as Rs 5190 (against Rs 4130 shown in the existing) and the contribution for the ensuing year is entered as Rs 3620 against Rs 1490 provided in the Re budget. The general budget closes with a deficit of Rs 19,780 under general funds. In view of this deficit, we may perhaps request Last (Crop) not to insist on a contribution of Rs 5042 for the ensuing year but to agree, as a special case, to the amount (Rs 14

to be met from 13 of the State's balance.

A is for consideration in Law(Edn). Such a course will not seriously affect the 1923 Edn budget as it will only mean less of closing balance than what Law(Edn) would provide

12.6.23.

The actuals contributions made in 1920-21 was Rs 7,746. While the revised estimate for 1921-22 showed Rs 7,382, the actual Expenditure for that year has been pulled down to Rs 1,455.

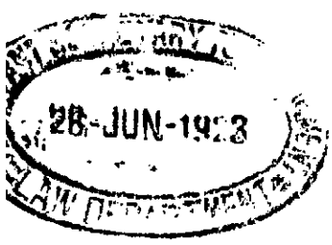
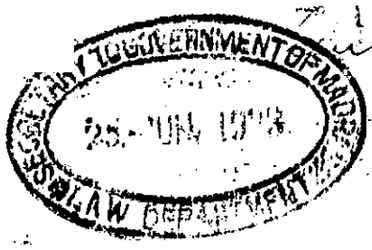
for 1922-23. The figure of Rs 5042 was allowed as a special case in view of the condition of the general finances of the board. In the revised estimate of that year this figure has also been brought down to Rs 4130 in the Elementary Edn. fund budget, while in the general budget it is shown as Rs 5190.) In the Budget Estimate for the current year a further reduction is proposed & the amount of contribution is fixed at Rs 1490 as against the general budget provision of Rs 3620. This is both undesirable. The Taluk board is levying an Edn. cess & is receiving an equal amount from Govt. as contribution. Please see note orp. 29 of f.o. 321 of 1.3.23. It seems to be a case of Education alone safeguarding the general interests of the Taluk board & the cess receipts being utilized to relieve the board of its ordinary obligation towards Edn. Education. Please see note on the linked file.





14.6.23

I see no reason to alter the draft which is already a compromise

20/6/23

In the circumstances referred to in Law U.O. note I do not think I can press for the Law opinion asked for in the orp. U.O. 1490.
